, Now that you have popped the marriage question and got a "Yes" answer, what ' s next? For many, this is the start of many wedding day preparations. The planning of this special day can be a stressful experience considering the myriad of activities needing to be planned for and coordinated such as the catering, wedding ceremony, location booking, photographer, and wedding gown shopping. Being that it is an important milestone in people ' s lives, the preparations must be perfect with everything in it ' s proper place on wedding day. While this event will come and go, the memories of the wedding day will live on. One of the symbols of the love between two people on this special day is the wedding ring. While buying wedding rings will depend on the couple ' s budget, it ' s also important to realize that a wedding ring will be the enduring symbol of a couple ' s love long after the champagne toasts and wedding ceremony are over. After all, a couple will have it for the rest of their lives. Thus, the decision to buy a ring should not be taken lightly and a couple should get the best wedding rings they can afford from a trusted jeweler. As a symbol of everlasting love, what better way to represent it than with a Celtic engagement ring? Compared to traditional wedding rings, the Irish have a rich romantic and enduring Celtic jewelry tradition. Because of this, Celtic wedding bands have become an increasingly popular alternative to traditional wedding rings. Celtic wedding rings are perfect way to seal your wedding vows on this special occasion. It ' s easy to see why. Celtic rings are steeped in history and tradition dating back centuries. Their intricate designs or interwoven patterns throughout the metalwork denote a couple ' s promise to create a new life together with the one never-ending, continuous circle signifying eternal and endless love. Celtic wedding band designs are derived from Irish manuscripts such as the Book of Kells. In the past, the wearing of Celtic jewelry was an outward sign of a person ' s wealth and status. This resulted in many Celtic wedding rings being passed on from one generation to another becoming treasured family heirlooms. Today, the popularity of such elegant wedding rings enable couples to purchase these Celtic rings from specialty retail jewelry stores online so

there is no need to travel to Ireland to get an authentic Celtic wedding ring. Celtic rings are handmade by Irish craftspeople and are shipped all around the world. If you opt to have your wedding ring custom designed, it 's best to do so early. For those couples who prefer to go for classic and timeless Celtic wedding ring designs, there are also many existing design varieties to choose from. A good online retailer like Shanore will have a wide choice of the following ring characteristics: precious metal (white gold or yellow gold), Celtic pattern, ring size, number of gemstones, size of gemstones, etc. The number of possibilities are truly endless and is completely within your control, making them timeless pieces of art that remind you and your loved one of your uncompromising love for each other.,,For many women when they get married they ' ll use the typical dress, but for some they will want to be unique and wear the Gothic bridal wear. That is when the bride should be understand that they can be a queen at any time. But they should know that the Gothic wedding dresses may be white, but they could easily start to bring the different colors into the light. When you want to make people think of you, you will want to take your vows in the red and black color. The long sleeves with the superb black lace glove could easily permit you to have the ring look like a cherry on top of your glove. However, if you do not like the long sleeves you can use the sleeveless dress that is black ball wedding gown style. This specific gown is going to have scarlet colored ribbons on the skirt. The wedding gown without sleeves could easily be the finest choice if in case you have some wonderful tats that you really want to display for the wedding ceremony guests to see. Now you could possibly be believing that red is the only choice, but you want to know that you can have a shocking red insert color. But, you could also have other goth friendly styles that you ' ll use as well. However, you will even have the option of black as well. This is a beneficial solution as you are probably a great goth and know that black should be included at times. You may see that it could be as simple as the garter, but you may also notice that it can even be the entire gown. One of the wedding pieces that are present include the high heel shoes and that may not be your choice. Then you need to know that you can find some high tops which are reminiscent of the tattoo designs which you may have. Royal blue and purple are also preferred color styles for those that dare to be unique. A voluminous purple wedding gown over a charcoal taffeta crinoline would look great. If you are going sleeveless you can coordinate with long sensuous black lace fingerless gloves that extend up past the elbow. Coordinating jewellery is important. Options include a razor blade dog tag on a solid heavy chain or even a metal studded leather dog collar. Only you know what really means princess of the dark inside your world so put a bit of your own unique character into your costume. are your chance to show the world that you are rocking your own design and style as you get married and that you are taking no prisoners.,,All people have to do is look at you to know you dance to the beat of a different drummer. Totally involved with the Gothic culture, you have embraced it, its style of dress and its music. You live within the land of the Gothic culture, something most people cannot comprehend. You love the whole black routine traditional to Gothic style. The black hair, the black style of dress and black shoes or boots. Even the black fingernails. Some Goths do it for fun, some follow the party line and some are deeply engrossed with its history and meaning. There are techno Goths and computer whiz Goths. They have their own punk music that goes with the style. People who follow the Gothic lifestyle also fall in love and get married just like everybody else. However, Gothic jewelry is different. It generally is black in nature as well. A lot of jewelers who make Gothic creations rely on the black metal tungsten to be the metal which reflects the nature of the owners. However, although the wedding bands may be black, they don ' t have to be bland. Many of the Gothic wedding bands you see today are some of the most amazing creations you will ever find. With seemingly endless reservoirs of possibilities, Gothic jewelry can go from simple black wedding bands to carved and engraved creations of unbelievable beauty. Many Goths are drawn to custom designs that have a particular meaning to them. There are Gothic jewelry designers in cities and towns as well as on the

Internet. If you are going to choose a Gothic design for you and your loved one, unless you already know exactly what you want, you might want to scroll through the web for ideas. With all the creativity at your fingertips, you can get ideas and design a spectacular set of wedding rings. Whether you choose to have custom rings made or pick a Gothic styled ring out of your jeweler's tray, you can still have it engraved on the inside. There is no rule that says Gothic wedding bands have to be boring. Garnets are often used in Gothic jewelry. Even though it is a semi-precious gem, it seems to reflect that dark, brooding spirit so important to the culture. You can pick garnets, emeralds or any stone you want and have them dropped into the bands for effect. Even diamonds and the sparkling pave styles are common in gothic wedding bands. There are no restrictions to what you can use as long as the overall effect still has a dark look about it. Again, the engravings can be personal or they can be drawn from the history of Gothic culture that has a personal meaning for you. The engravings do not have to be on the inside of your wedding bands; wind them around the exterior of the ring for effect. Whatever you do, make sure you stay true to the brooding spirit mentioned earlier. It is what the Gothic culture is all about and your own custom made wedding rings should reflect that.
